Letter from Oliver to Bob Evans 31 Mar. 1991:"I do not know where my mother was born. I evidently was mistaken for thinking she had been buried in the French Cemetery in Stryker. The care taker there says there is no record of her burial in that cemetery. She may have been buried in Swanton, Fulton , OH. or maybe taken back to Sherwood, Defiance, OH. I do not know the name of her parents. She had a brother "Elmer" who I visited once when I was a child. she also had another brother or half-brother and if I remember correctly was called "Tim". She had a sister or half-sister named "Jeannette". I am not positive about the half-brother or half-sister. They could have been full brothers and sisters. The sister named Jeannette, Leland and I called Nettie because I guess that was a nickname for her. She is the one that raised Leland after mother passed away. I have a picture of her with two of Alvin Yaney's children, Randy and David, and another photo of her tombstone showing the date of birth as 1874. She was first married to John Roush. After comparing her birthdate with the date on the head stone of the Uncle Elmer that I knew there is a ten year difference. Maybe Jeannette and Tim were half brothers and sisters. This Uncle Elmer was a telegraph operator for the B & O railroad at a signal tower a few miles west of Sherwood, OH. This is all I can think of in conneciton with the Wheaton family, wish I knew more. My mother and father were married in Defiance, Defiance,OH on 15 Aug. 1908. Mother died 21 Feb. 1913, Swanton, OH. Just found in an old photo album, an obituary of my mother, Lulu Mae Wheaton. She was born 10 Aug. 1890 at Sherwood, OH. She was the daughter of Mr. Anson Wheaton. She leaves to mourn, a husband, two sons, a father and mother, three sisters and five brothers. Janet Elaine Yaney Selbe talked to Oliver in 1986. Oliver was born in Sherwood, Defiance Co.,OH. and his mother died 21 Feb 1913 from the birth of a baby daughter named Elizabeth, born 8 Feb. 1913 in Swanton, OH. Both were buried in Stryker, OH. Oliver was only four and his brother Leland was a year and one-half. He was placed with his father's mother and brother Leland was placed with his mother's half-sister. Oliver lived with his grandmother until he was about ten or eleven years old, when his father remarried. He lived with him until 1928 when he married Florine Bolman. They lived in Toledo during the time the marriage lasted. Oliver moved to Columbus and worked several years in the Ohio Capitol Building, employed by the House of Representatives and later the Ohio Senate." "During this time I discovered I wasn't as smart as I thought I was, so I decided to go back to school. This I did and became an accountant. After the political

climate changed in the House, I went to work as an accountant for two more years in Columbus. After two years in Chicago, I moved to Dayton, OH and went to work for the American Lubricants Co. and stayed their until 31 Dec. 1973. I began as an Accountant and retired as vice-President and Treasurer." "We moved to Ft. Lauderdale, FL and lived there until 1980, when we decided to move to a smaller city, Ocala, FL." Family does not know his whereabouts or if he is living. this would be late 1939, probably October or November. A Virgie Crawford disappeared at the same time. He had two daughters with 1st marriage and divorced..a letter written 31 Mar. 1991 by Olive L. Yaney to me:" Leland Charles Yaney, b. 29 Mar. 1911, Stryker, Williams, OH. He was my brother, but when we were children we lived too far from each other to be able to visit back and forth. My grandmother, Amelia Peugeot Yaney, was very poor and I suppose Uncle John and Nettie Roush were the same, so there just was not enough money for trolley and train fare between Stryker and Sheroowd, OH. The last time I remember seeing him was in the early 1930's. At that time he was married to Rosie Sylvester and had only two children. The next I remember he was married to Marguerite Brown and living in Texas. I thought it was Rice, TX but I am not sure. The next that I remmber hearing about him was that he had run away with a young girl from that town and went to California.(True or not)? That he had gone to Ventura, CA and put the bite on our Aunt Velma Michaels for money. Never another word since. I have tried to get Alvin to question his mother but she has evidently tried to block out or forgotten the details or maybe just don't want him t know."
